

Santa Monica High School Viking Bands 2010-2011

Student and Family Directory

I give permission to the Santa Monica High School Band Parents Association to list the following information in the Samohi Band Directory. The directory will only be distributed to band members and their families and will only be used for school and band business. No information will be released for private or commercial use.

To save hard earned money and paper, our main communication with band families will be via email. If you do not want to be in the Directory, please fill out all the information below and check this box.

Directory information as it should appear in the Directory. Please print clearly and legibly. E-mail addresses are particularly troublesome. We can't print it if we can't read it.
