

Santa Monica High School Viking Marching Band 2010-2011

Register for E-Scrip

Help raise \$\$\$ for Samohi Band as you shop – without costing you a penny. **EVERBODY EATS** so everybody can help!

(Albertsons is no longer part of the e-scrip program)

- **Register your Vons/Pavilions grocery card and we'll get a contribution every time you use it. Give us the card number and we'll take care of registration.**
- Don't have the card because you punch in your phone number instead? No problem. You can find the card number on your grocery receipt.
- Even if you have given us your number before, please resubmit every year.
- Sign up your friends, neighbors and relatives too! It costs them nothing and will contribute to our music programs.
- You must register your Ralphs card online. The Band program is not permitted to register for you. You must go to <http://www.ralphs.com> and register. It just takes a few minutes, is easy and straightforward. You will be prompted what to do.
