Help raise \$\$\$ for Samohi Band as you shop – without costing you a penny. EVERYBODY EATS so everybody can help!

- **Register your grocery card and we'll get a contribution every time you use it. Give us the card number and we'll take care of registration.**
- Don't have the card because you punch in your phone number instead? No problem. You can find the card number on your grocery receipt.
- Sign up your friends, neighbors and relatives too! It costs them nothing and will contribute to our music programs.
- Questions? Contact ibailis@mednet.ucla.edu.
